Dear Parent,

This summer Montebello PAAL has the opportunity to partner with a state-wide charter school that has funding for summer youth programs in California. Fortunately, what we do qualifies for this resource. Last year state-wide \$1.2 million was provided with over 20,000 children and youth participating.

In a nutshell, for every 12 hours of program time that we document, Montebello PAAL will receive a donation for each child/youth that is registered. As part of our registration process, you will be able to register your son/daughter which will benefit them by supporting the events and activities that Montebello PAAL provides.

In addition, this partnership will be offered every summer and will be an on-going source of support to Montebello PAAL which will allow us to keep our program fees at the current rate.

Thank you for your support,

Rosemary Sanchez
